Winter Wonderland & Family Skate

The morning of December 16th is the annual Winter Wonderland Skate, presented by Kia Motors. A 2 hour showcase of our skaters performing their programs and holiday themed group numbers. Following the presentation is our Family Skate. All skaters are invited to skate with their family members.

NOTE – all skaters who are not registered to skate in one of our programs must wear a CSA approved hockey helmet. There are no exceptions, even if you are a skilled and experienced skater. GSC doesn't supply helmets so please source one ahead of time. If non-registered skaters don't have a helmet, they will not be permitted on the ice.

50/50

Our annual 50/50 draw will be online this year. Information will be sent out as the platform is finalized. Skaters will be able to share the link through email, text and social media to help the pot to the biggest it can be.

Proceeds from our 50/50 are directed to our bursary program – active skaters graduating from high school are granted a \$500 bursary from our club. Managed through the Penticton Secondary School Bursary and Scholarship Foundation, details for the bursary are found at <https://pentictonships.com/>

Volunteer Needs

Our container still has a few maintenance items:

- 3 shelving units to be assembled
- Remove totes and other items...reload once shelves are assembled.
- This require 3-5 people for a couple hours.

Ice Parade sets:

- Finish painting the background sets. We have the paint ready to go, but will need a nice day to complete the work outside. 2-4 people.

Vees Game:

- We require a few parents to man a table upstairs before the game. It is to hand out flyers advertising our club and 50/50.

Winter Wonderland:

- Looking for some raffle or silent auction baskets
- A few volunteers are needed:
 - man the donations table,
 - act as ice captain,
 - music,
 - announcer
