

Competition Program

The Glengarry Skating Club is introducing a new program to assist and support with the costs of competitions. Our coach, Trevor, will no longer be billing individual skaters who compete at specific competitions. Instead, Trevor will bill our club for competition expenses including travel, accommodation, meals and coaching fees. Each skater will pay a flat fee to the club of \$45.00 per event to cover these coaching expenses. Skaters will still need to register and pay for the actual events through www.skatinginbc.com.

This program will be partially funded through profits collected from hosting competitions and events. It is expected that all skaters and skater families who participate in the competitions and take advantage of the competition program will also participate and volunteer when we host competitions and events.

New process:

1. Register for actual competition/event on your own (or Trevor will complete for a fee) through www.skatinginbc.com.
2. Register for the Competition Program through www.glengarryfsc.com to cover coaching costs.

Points to remember:

If registration for the competition program is not completed by the first day of the competition, the skater will be invoiced with an additional processing fee of \$10.00 (\$55.00/event).

The competition program only covers costs for coaching expenses/fees for the following competitions/events:

- Super Series Victoria Day (May long weekend) - Surrey
- Super Series BC SummerSkate (mid August) - Burnaby
- Super Series Autumn Leaves (mid October) - alternating Chilliwack/Kamloops
- Super Series BC/YK Section Championships (early November) - alternating Province-wide
- Okanagan Interclub (mid November) - alternating Okanagan Region
- Okanagan Regional Championships (mid February) - alternating Okanagan Region
- Super Series STARSkate Final (early March) - Kelowna
- Ogopogo Event (mid March) - Penticton

No other competitions are included in this program. Coach fees and expenses will be individually negotiated with Trevor for competitions not listed.

CREATIVE EVENTS are free of the coaching fee charge since there is no coaching affiliated with the event.
