

**GLENGARRY
SKATING CLUB**

TEACHING PENTICTON TO SKATE SINCE 1953

Glengarry Skating Club is a non-profit sanctioned Skate Canada club since 1953. We offer all types of skating programs including learn to skate, to power skating and figure skating. Our programs are offered to all ages, but primarily focus on children ages 3-17.

Because Glengarry is part of a National skating organization, unlike some sport organizations, our coaches are NCCP certified and are paid staff which is mandatory from Skate Canada. This enables Glengarry to offer the best possible programs to each of our members.

McLaren Arena is our home arena, but we utilize all rinks throughout the year at great significant costs. This comes to the main reason of our request.

In order to keep registration fees at a cost that families can afford, continue to provide test days, competitions, and ice shows for our skaters to enjoy and progress their skating to reach their goals, employ and maintain highly qualified coaching staff as well as provide as much ice surface time in order to help our skaters achieve this, we are soliciting donations to offset our yearly operating costs and to allow us to continue to offer special events, such as our annual ice show.

Our annual ice show takes place each spring and showcases all of our members (skaters) who wish to participate. This endeavour is very expensive as it includes many hours of ice time for practices, rehearsal and show day. Other expenses such as coaching costs and costumes/ set design add to the expense. Sponsorships (both in denomination and non-denomination) are solicited in order to offset our losses as much as we can every year. Our sponsorship packages can be found on our website (glengarryfsc.com) or attached to this letter and include many options.

We ask that you or you as a business in Penticton consider a financial donation as one of our supporters in this effort. If you have any further questions, please call us at 250-486-0244.

Thank you,

Christine Davidson
Glengarry Skating Club
President
