## Call for Resolutions Form

Glengarry Skating Club would like to call for any resolutions that would like to be added to our 2019 Annual General Meeting to take place on April 27, 2019. As our new society bylaws indicate, we can no longer accept resolutions from the floor at our meeting and must receive notification of requested resolutions prior to meeting date.

In order for a resolution to be brought forward at our AGM, there needs to be 2 members who are in good standing to approve the request for the resolution.
