### **Members' proposals**

**81** (1) In this section:

**"proposal"** means a notice sent under subsection (2) to a society;

**"proposal threshold"** means

- (a) 5% of the voting members of a society, unless paragraph (b) applies, or
- (b) if the bylaws of the society provide for a percentage lower than 5%, that percentage,

but in either case, not fewer than 2 members.

(2) Voting members of a society may send to the society a notice of a matter that the members propose to have considered at an annual general meeting.

(3) A proposal must contain the names of, and be signed by, not fewer than the number of voting members that constitutes the proposal threshold for the society.

(4) A society that receives a proposal at least 7 days before notice of the annual general meeting is sent must include, with that notice,

- (a) the proposal,
- (b) the names of the members submitting the proposal, and
- (c) one statement in support of the proposal, if the members submitting the proposal request that the statement be included with the notice.

(5) A proposal, or, if a statement is provided under subsection (4) (c), the proposal and statement together, must not exceed 200 words in length.

(6) A society, or a person acting on behalf of a society, does not incur any liability merely because the society or person complies with subsection (4).

(7) A society is not required to comply with subsection (4) if substantially the same proposal was considered at a general meeting held in either of the 2 previous calendar years before the calendar year in which the annual general meeting referred to in that subsection is to be held.
