

GLENGARRY SKATING CLUB

TEACHING PENTICTON TO SKATE SINCE 1953

Dear Sir/Madam

The Glengarry Skating Club (GSC) is seeking sponsorships for the 22/23 season. Since 1953, GSC has operated as a non-profit, sanctioned Skate Canada club. We offer all types of skating programs including PreCanSkate, CanSkate, CanPowerSkate and competitive figure skating, under the guidance of NCCP certified coaches. Our programs are offered to all ages, but primarily focus on children ages 3-17.

As a club, we strive to offer opportunities for our skaters to set personal goals, compete around the province and to perform in the community. Over the past five years, we have been building our local events and have a steady fan-base. With COVID capacity limits eliminated, we believe that we can start to rebuild and increase our live audience numbers. Our estimates for this year's events are:

- Spring Ice Parade: 200-300 community spectators
- Winter Wonderland Show: 100-200 family and friend spectators
- Ogopogo Competition: 75-100 family and friend spectators

In support of our club and its skaters, we are seeking your help in the form of sponsorships or donations. Your contribution will be used, and recognized, throughout our operating year, but we offer three specific event options, if you so desire. You'll find the details of the sponsorship levels on the attached table.

We ask that you consider a financial donation and be recognized one of our supporters. I look forward to discussing this with you at your convenience, please call me at 250-488-2301 to confirm details.

Thank you very much,

Margie Hibbard
Glengarry Skating Club, President
