TEEN & ADULT SKATING (13+ years old) – 45min class

This class consists of a coach led warmup and instruction time, followed by freeskate time. Our coaches are floating & available during the freeskate time and are happy to help you progress at your own pace towards whatever goals you have in mind.

This session is designed with two types of skaters in mind;

(A) Adults who would like some learn-to-skate instruction.

(B) Previous figure skaters who would like to get back on the ice for fun or exercise. If public skates and the limitations of them aren't for you, come out and join us. Skate backwards, do some spins & spirals, or (if you have the courage) try that 1 Axel again.
